THOMAS A GERMAN-SHETCH OF HIS CARRES-AN ACCOMPLICE KNOWN TO THE POLICE-OPINION OF THE EMPRESS AUGUSTA ON THE NATIONALITY QUESTION.

BERLIN, Jan. 1, 1876.

A German, under the signature of Herr K., gives in the Dresden Nachrichten some facts in reference to Thomas, whose name has become so notorious in connection with the dynamite explosion. He states that Thomas was born in 1838 or 1840 in the town of Bocholt, Westphalia. When two years old his father went to America and became a carriage builder in Brooklyn. Herr K. became acquainted with Thomas in 1852 at Noelle's commercial school, at Osnabruck. In the summer of hid. 1875 Herr K. met, accidentally, a gentleman at Kneist's bierhalle, Dresden, who spoke a broken German, who proved to he Thomas, and who it was fully shown had been born and educated in Germany. Thomas had spent from 1867 to 1875, the last eight years, in Germany.

The Berlin police have the name of an accomplice, who has fled. The Lievrpool police are endeavoring to trace Thomas' connection with the loss of the City of Boston, in January, 1870. In the following June Thomas returned to Dresden, and was very flush of money.

But few members of the Legislature have arrived here as yet, and very little canvassing is going on. There are quite a number of office-seekers, however, and they are actively at work. There seems to be no doubt but the following named gentlemen will be elected:-Hon, James W. Rusted, Speaker of the House; Edwaru M. Johnson, Clerk of the House; S. P. Allen, Assistant Clerk of the House; Henry A. Glidden, Clerk of the Senate, Hon. George B. Sloan, of Oswego, will probably be chairman of the House Committee on Ways and Means. Senators Harris, Prince and McCarthy are urged by their respective friends for chairman of the Senate Finance Committee, while Senator Woodin is named for the head of the Senate Committee on Cities, and Senator Robertson for a similar position on the Judiciary Committee. There is some canvassing going on for President pro tem, of the Senate This position was held by Senator Robertson last term and he ts understood to be a candidate for re-election, but there are those who think it best to put Senator Woodin in that position. That genileman is in the city and says he has no desire to stand in the way of any one who wishes the place.
